

Dear Recipient:

I'm writing on behalf of Enoch, a freelance web and app designer, that I've had the privilege to work with.

I came across Enoch's profile on a gig-worker site, and enquired him with several questions about a webapp concept that I would like to see built. He took the time to diligently reply to all of my questions and even added some thoughtful suggestions. I was impressed with his knowledge right away, and have been working with him over the past 4-5 weeks. I plan to use Enoch on more projects in the future.

It's worth mentioning that he's been easy to work with and very responsive, despite our 6 hour time zone difference. I've dealt with other gig-workers in the past, and mostly with satisfactory outcomes, but Enoch certainly stands out, and backs up what he advertises.

Sincerely,

Trever Leamon
